THE MARSHALLITE

ANNUAL PUBLICATION OF JOHN MARSHALL
HIGH SCHOOL, RICHMOND, VIRGINIA

1958

Mr. John Sterling Arnold

John Sterling Arnold

Dedication

 BOOMING voice, a ready smile, a friendly word, a hearty appetite for a free meal or candy—these form the superficial impression of a very dear friend of us all. Long shall we remember the generous mind and heart that prompt his demonair manner and unfailing helpfulness. A gifted teacher, he is ever ready to help any pupil with any problem.

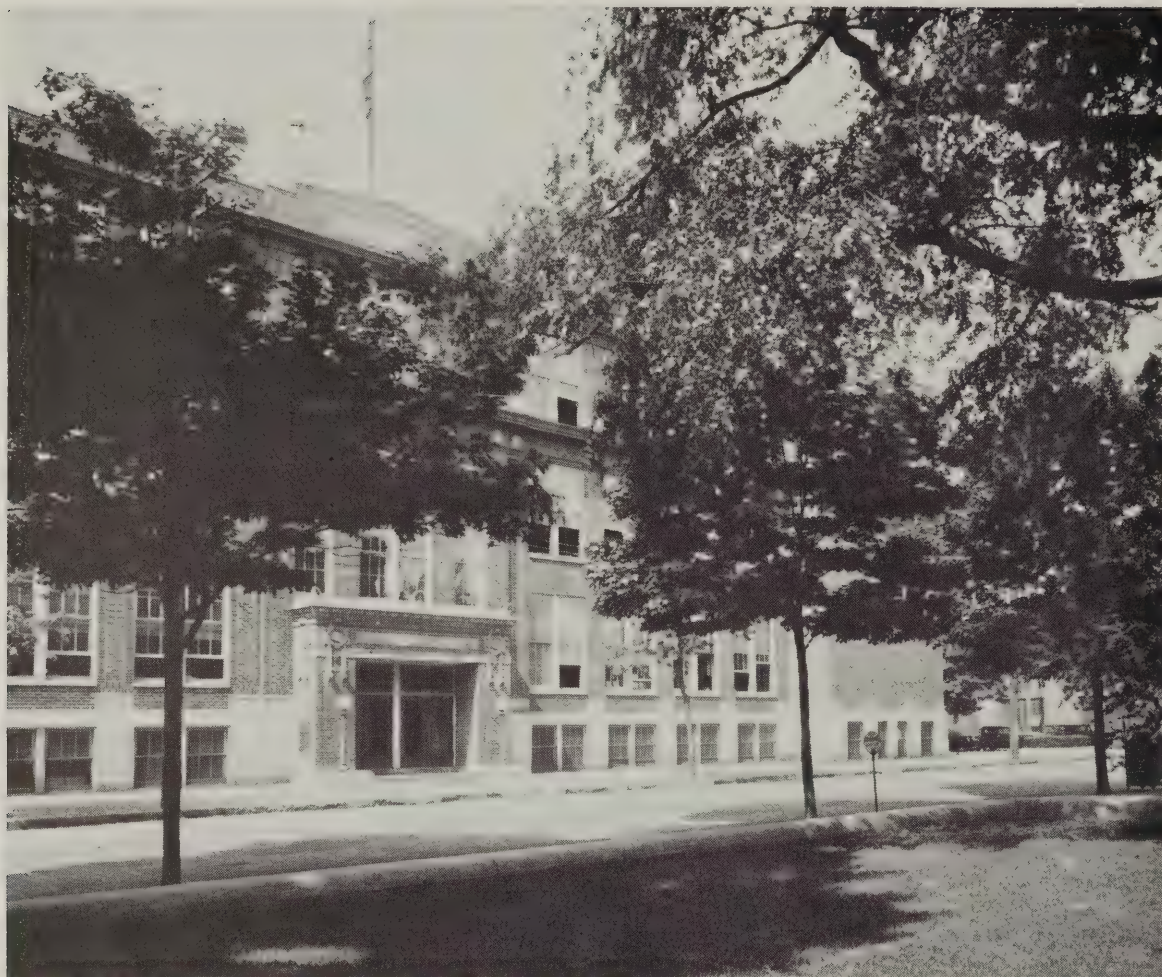

Now an ardent supporter of all our football and basketball games, he once coached tennis and rowing teams of his own.

After teaching all day in high school, he teaches three nights each week at night school that all who seek may share his abundant knowledge of the workaday world.

For six years, he has given freely of his time and effort to being that indispensable person—business adviser to the *Marshallite*.

To this man—whose broad abilities, generosity, kindness and deep interest in each individual, have, for eighteen years, won him the honor, love and admiration of every student and colleague—we, the Class of '58, proudly dedicate our annual to Mr. John Sterling Arnold—a jolly good fellow.

FOREWORD

DURING 1958, peace has been very much in the minds of most thinking adults of all nations. It has also preoccupied the minds of many Marshallites.

“How can we become better ‘citizens for peace’?” It is a challenging question—for tomorrow we shall have to face the problem of how to maintain peace.

How can we prepare ourselves to solve this problem? Will getting good grades, participating in school activities, and studying faithfully mold us into the kind of citizens needed for the coming years? No! These alone are not enough, nor are intelligence and popularity. Rather we must love God and country, have high moral standards, a high sense of honor, and have genuine respect for and understanding of our fellowmen. For, without wisdom, what does intelligence avail?

That you may bear these thoughts in mind as you end your high school days and turn to face the future, we have chosen “Better Citizens for World Peace” as the theme of your 1958 annual.

This is a panoramic view of the opening meeting of the Eleventh Session of the United Nations General Assembly.

JOHN MARSHALL is more than a school. It is the focus of happy and momentous memories that we shall cherish always, recalling smiles to our lips.

Here we first began to realize the citizenship responsibilities that we should have to fulfill. And here our future lives began to take shape. Principles instilled in us during this period will continue to guide us when we take our places in the complex adult society of today.

Our years at John Marshall have been good years—years to be remembered.

BOARD CHAIRMAN

The School Board and Administrative Staff

THE Richmond School Board meets regularly once a month and then there are many special meetings. The making of school laws, the interpreting of regulations, and the welfare of today's and tomorrow's school children are the business of members of the board. Their lot is not an easy one, but with the aid of school principals, teachers, and counselors they help to make the life of each student a better one. Members of this important organization are: Lewis F. Powell, Jr., Board Chairman; Mrs. Kenneth F. Lee, Board Vice-Chairman; Booker T. Bradshaw, Board Member; Frank S. Calkins, Board Member; Edward C. Peple, Board Member; H. I. Willett, Superintendent; Thomas C. Little, Assistant Superintendent and Clerk of the Board; William H. Deierhoi, Assistant Superintendent and Agent of the Board; Lucian D. Adams, Assistant Superintendent; and Henry M. Eubank, Deputy Clerk of the Board.

Died November 10, 1957

Never is death so cruel as when it takes away one who is young and fair, noble, and dear to us.

The students of homeroom 104 saw an empty desk in the corner. There was the checkerboard set up—but no players. For one had gone—forever; death had suddenly claimed him. No more would his familiar smile greet us. There was an emptiness in the room—in the halls—and in the whole world.

Yet, when we entered the hushed, flower-filled church on November 12, death had assumed another aspect. It seemed peaceful; serene; as if another destiny had fulfilled itself. We realized that James was not there—only an empty shell. His vivacious, conscious being, his warm loving soul had gone to a realm of joy beyond the mind to conceive.

Even as he remembers us, we shall remember him—and that memory will keep him ever near us.

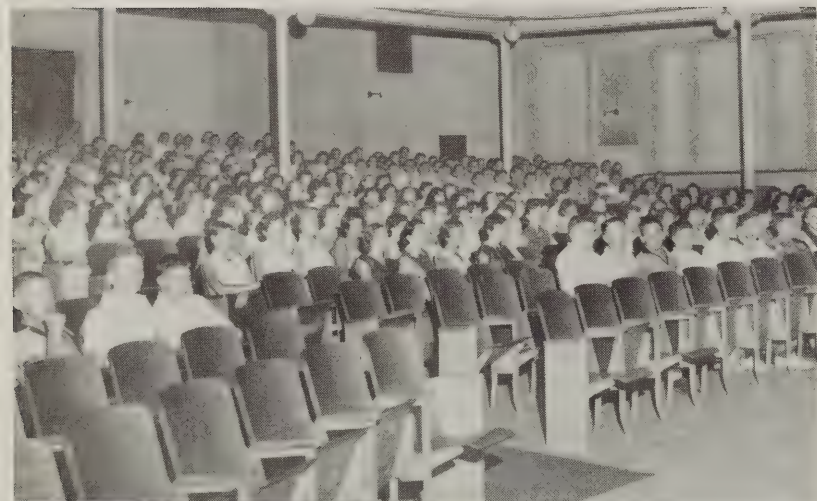

Foot loose and fancy free!

SCHOOL DAYS AT J. M.

Beginning a memorable four years.

By **WARREN CHENAULT**

Seniors at last! It has been quite a while since we were timid freshmen just beginning our experience at John Marshall. But with summer time behind, Jayem upper classmen returned to school, determined to make their last year their best.

Practicing all summer, the football team started things off with a boom by winning their opening game. Pep rallies in front of the John Marshall building were a gala affair. School spirit was given a big boost by the new Jayem clowns, as we climaxed a fine season with our first victory over Teejay since 1950. Mel Rideout was voted the team's most valuable player, and Miss Justice and Miss Jeff were crowned at the game.

By this time classes were in full swing, old clubs reorganized and new ones formed; the school publications began operation, and the results of six weeks' work showed as report cards came out. Recess became a "rocking" affair, as students took advantage of the new recreational rooms in the J. M. and Wythe buildings.

The Junior Red Cross started their annual campaign in "rockin" good fashion by holding a Sock

Busy, busy, busy.

Hop in the Wythe gym on October 31. Although holey socks were quite common, they were just ignored, and full attention was devoted to having a great time.

On November 11 at eleven o'clock, John Marshall honored its war dead in the traditional memorial service. Students gathered in front of the John Marshall building, taps were played, the colors dipped, and the wreaths placed.

During November, government classes recognized state elections by holding a mock political rally, at which two candidates for the General Assembly expressed their views on state affairs.

For the annual Thanksgiving assembly, home-rooms covered the stage with baskets of food, which were sent to Sheltering Arms Hospital and the Crippled Children's Home.

To the theme of "Ye Olde Record Shop" the Girls' Athletic Association presented their annual talent show. This production featured records popular today and those popular years ago.

The Senior Class presented their Christmas pageant, which created the proper atmosphere for the Christmas spirit at Jayem. The pageant showed various scenes picturing the story of the Nativity.

The cadet hop was another highlight of the holidays. Couples moved easily into the various figures, which included a cartwheel, '58, J. M., three diamonds, a double heart, a Christmas tree, and the sword arch. After that the couples exchanged favors and the first dance began.

The Christmas spirit had really begun. Clubs planned Christmas parties, a Christmas tree was set up in the hall and decorated, students gathered in the halls before school to sing carols, and the choir

Top: Justice, Justice, Yea!!

Bottom: No dampened spirits here.

Atta-boy, Mel.

A salute to our heroes.

Football co-captains with a happy Miss Justice.

Clowns will be clowns.

Stitch one, pearl two.

went caroling through the halls during recess. When school let out for the long-awaited holidays, the students had really gotten into the Yuletide spirit.

In January the juniors and seniors were whisked into a dreamy world of silver stars and planets, spinning to the music of the Knight Rockers. The theme of the prom was "Fascination." The winners of Who's Who for the February class were introduced at the prom, and the class presented a gift to their sponsor, Mrs. Warinner.

January 27 finally rolled around — graduation! Eighty-nine John Marshall seniors went forward to receive their diplomas. These students were now on their way to becoming the citizens that they had been prepared to be—citizens who would keep their aims and their standards high, using the knowledge

Ooh, la la-C'est si bon.

A helping hand for the needy.

Seniors give Christmas pageant.

Rockin' in socks.

and experience gained at Jayem. To celebrate their graduation, a party was given for them at Tom Tom's.

A peep into the classrooms during the term would find the students hard at work. Future chemists, engineers, and draftsmen were taking shape in the various classes. Every class, every minute, every day brought us closer to our goal — graduation.

The basketball team had a very fine season and ended with a 13-9 overall record. We finished third in the Central District Tournament, defeating Tee Jay and Hopewell, but losing to Highland Springs.

On March 14, the John Marshall Corps of Cadets honored its sponsors at the semi-annual Sponsor's Day ceremonies. Each cadet renewed his pledge to honor and protect members of the fairer sex as he pinned his colors on his sponsor.

About this time it was announced that Grace Bongers had won the state Betty Crocker Scholarship Contest. This meant that she would receive a \$1,500 scholarship and would be eligible for the national contest.

April showers and May sunshine were combined in the May Day festivities. The theme of the program was "Weathervane," and dances and skits were planned around popular songs about the weather. This entertainment was provided by the G. A. A. and the girls' gym classes. Amid the excitement and fun, the May queen and her princesses radiated beauty as they took their places on the John Marshall front steps.

The last few weeks were filled with final preparations for graduation, exchanging cards, signing annuals, and making plans for the summer.

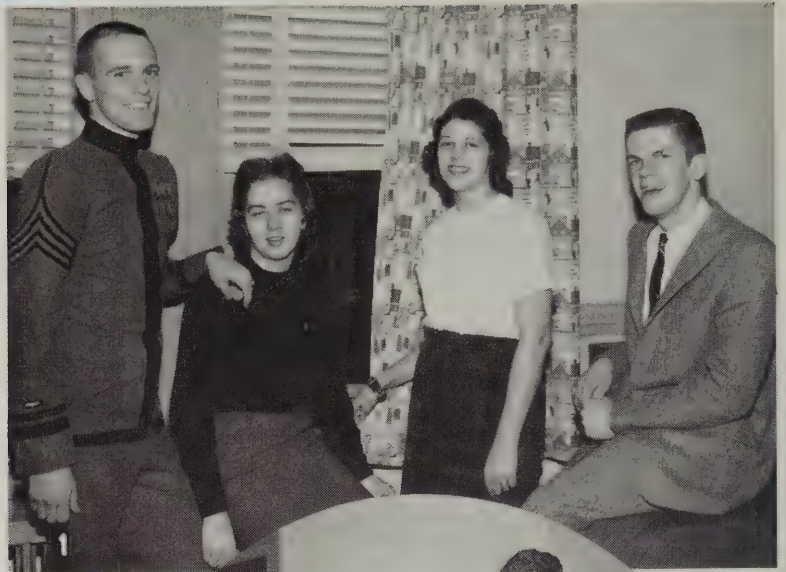

Deep concentration.

Students rally on Citizenship Rally Day.

A proud day.

May Day

On May 8, John Marshall's Girls' Athletic Association sponsored the May Day ceremonies that have become traditional at John Marshall for many years. Carol Davis reigned as May Queen with Ann DeCamillis for her maid of honor.

The princesses of the senior class were Martha Gordon, Pat Woodfin, Pat Whitman, Glenda Insley, Courtney Roane, and Barbara Townsend. Two princesses were also selected from each of the lower grades. All wore evening gowns of pastel colors.

The theme of the May Day festivities was "Weather Vane." Different physical education classes gave their interpretation of various songs about the weather.

Little snowmen from the fourth period gym class gave their interpretation of "Let it Snow, Let it Snow."

Following the snow came rain, as the sixth period gym class, in their lavender leotards and umbrellas, gave their version of "Singing in the Rain."

After the rain ceased a rainbow was seen as the second period, dressed in different colored outfits, danced to "Over the Rainbow."

When the rainbow disappeared from the sky, there were "Blue Skies." The third period gym class gave their version of this song with a modern dance.

The first period class then gave "On the Sunny Side of the Street" followed by the "Tropical Heat Wave" by the fifth period gym students.

The winding of the May pole ended the program.

THROUGH the ages, men have learned the value and necessity of organizations. Such groups as these that we have here at John Marshall promote better understanding of our fellow man. They give opportunities to make new friends and cultivate old ones. They encourage students to develop leadership and a practical knowledge of how to work with other people.

The Student Association is important to John Marshall because of its manifold services, one of which is to bridge the gap in student-teacher relations.

This year the officers and members of the Association have worked especially hard to build a better John Marshall. A great deal of credit goes to our sponsors, Miss Raffo and Mrs. Warinner.

Throughout the year, the Student Association has sponsored buses to various out-of-town games; opened two recreation rooms, which have been highly successful; entertained Dr. Connant, ex-president of Harvard University; and participated in a new television show, Top Ten Dance Party.

One of our biggest accomplishments was establishing an Honor Code for John Marshall. The Executive Committee and the National Honor Society worked together on this project. It proved successful by promoting honesty throughout Jayem.

To celebrate our 20th Anniversary, we planned an entire week in recognition of the Student Council Association. Something special was planned for every day. The week was climaxed Saturday night with a semi-formal dance in the Wythe Gym.

"A good time was had by all" as the Executive Committee wound up the year with a big picnic at Forest Hill Park.

This year the senior members leave the Student Association with hopes that they have done their small part well in making a better and a greater John Marshall.

The Junior Red Cross started its year by attending Cross-Wise Day, at which members of the council learned duties and services performed by the J. R. C. The highlight of the meeting was a banquet, after which members gave an enjoyable program. The meeting was closed by a candlelight service.

Our regular enrollment drive, which began with a Sock Hop on October 31, went off profitably.

The regular assembly program presented a council telling about the past, present, and future of the Red Cross.

Our volunteers for the Medical College of Virginia are still serving. They take classes in caring for patients and entertaining the children by reading to them.

At Christmas, John Marshall and Thomas Jefferson gave a joint party for the children in the rheumatic fever ward at MCV. Jayem was in charge of entertainment, and Teejay was in charge of the refreshments. Jayem's JRC also presented each child a Christmas present.

Money was added to the treasury by selling all the newspapers that we had been collecting for years.

Wednesday, May 14, John Marshall's Junior Red Cross acted as host to the elementary and junior high schools at the annual Junior Red Cross Rally held in the Jayem auditorium. Jayem's part was to give out programs and usher the children and teachers to the cafeteria.

This year our project is going to be a chest built by one of our Junior High Schools and filled with school supplies and necessities to send overseas. This year we collected money by asking each homeroom to collect \$1 for the chest.

"I pledge myself to uphold the high purposes of this society to which I have been elected, striving in every way by word and deed to make its ideals the ideals of my school and of my life."

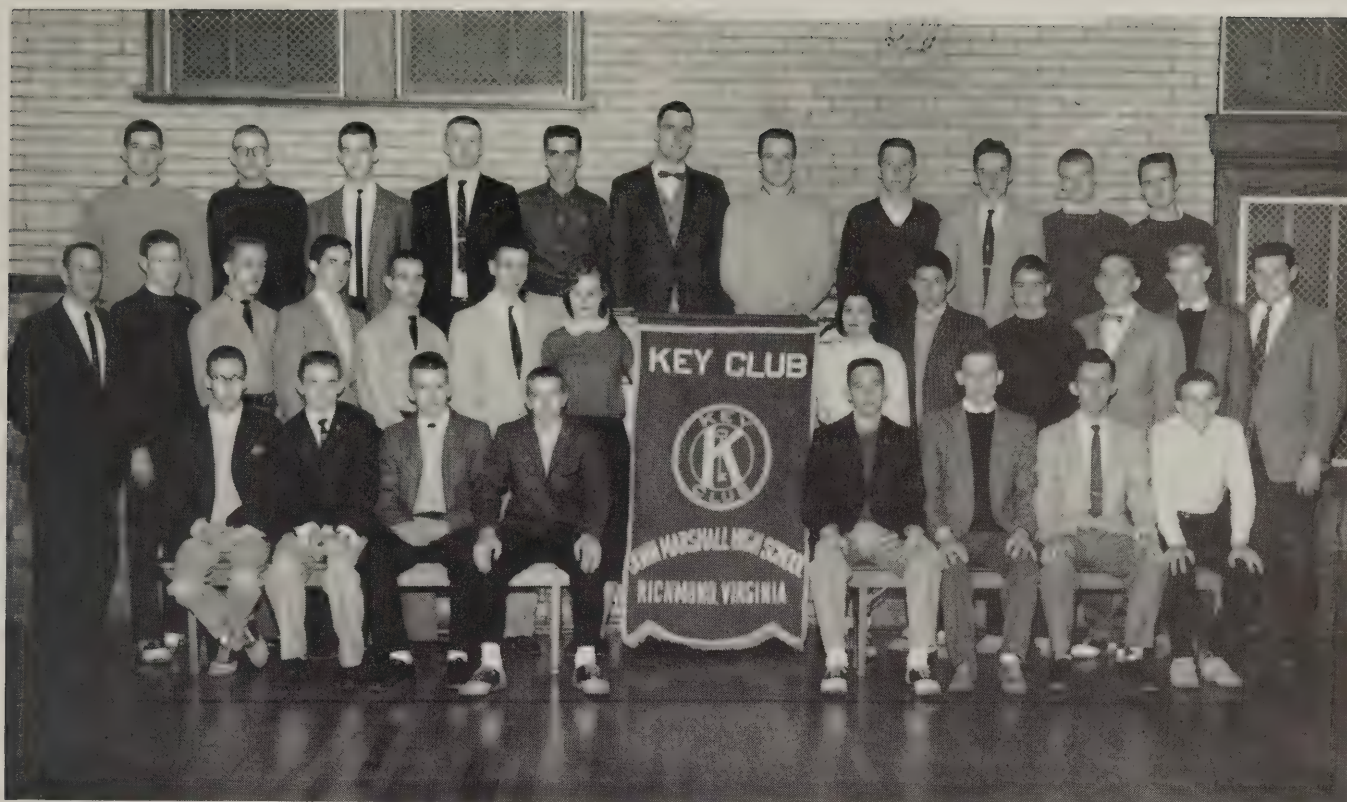

This is the pledge taken by every member of the National Honor Society. Last fall thirty-three members were initiated into the John Marshall Chapter.

To become a member of the John Marshall Chapter, a student must meet the following requirements: (a) Be a senior, (b) have an average of 90 or above and (c) be approved by the faculty and the members on the basis of character, scholarship, leadership, and service.

The John Marshall Chapter was started under the

direction of Dr. C. Patrick Ely in 1939. He was the first faculty sponsor. Miss Wilhelmina Wright is the present sponsor. Since its organization, 818 members have been initiated into this society. Being initiated into this society is the highest honor that this school can award.

During the past year, the club appointed a committee to meet with the Student Association and the Character Commission. The purpose of these meetings is to work on an honor code. The society also helped with the promotion of reading throughout the United States during Library Week by helping the Character Commission with quotations for the thought of the week. Among the programs for the year was the traditional spring luncheon.

The John Marshall Key Club is composed of thirty-five boys who rank in the upper third of their class. Each semester a girl in the 12H grade is chosen sweetheart by the members.

Sponsored by the Kiwanis Club of Richmond, the Key Club is a service organization active in school and community projects. Mr. James C. Harwood, Jr., serves as faculty advisor.

The ideals of the Key Club are set high to develop leadership, initiative, and working together. The club prepares its members to serve their country, state, school, and community.

The Key Club of John Marshall helped in many activities in 1957-1958. It helped decorate the stadium for football games, sent Christmas cards to the faculty to promote a closer feeling between student and faculty, and distributed Neuphrosis cannisters around the city.

The Father and Son Banquet and the Mother's

Day program gave the parents some idea of the work of the Key Club.

The John Marshall Key Club as well as those of Thomas Jefferson, Highland Springs, Douglas Freeman, and Hermitage presented a program to the Richmond Kiwanis Club in observance of National Key Club Week.

As usual, the club sponsored a Brotherhood Week assembly. Major Ralph Rose, a Salvation Army worker for twenty-seven years, was speaker.

Key Club work for the whole year reached a peak when the Capital District Convention was held in Richmond at the Jefferson Hotel on March 7, 8, and 9. Ideas about Key Clubbing from clubs in Virginia, Maryland, and the District of Columbia were compared. Various contests and activities took place, including talks by the governor and lieutenant-governors of the district.

The Future Business Leaders of America is made up of students enrolled in business courses. This organization promotes interest in business and prepares students for work in office occupations.

The John Marshall chapter won the National Office Management Association trophy for being the most outstanding chapter in the state of Virginia for the year 1955-56. It has been an Honor Chapter every year since it was chartered.

Again this year, John Marshall students competed with other FBLA members at Mary Washington College, where Norma Foster presided as President. The state convention was held in Roanoke; the national convention last year was held in Dallas, Texas, where Dorothy Mullins was elected Vice-President of the Southern Region and the John Marshall chapter received recognition as a Gold Seal Chapter. John Marshall also came in seventh place for the Forkner Award.

The Distributive Education Club is a professional organization open to all students who are majoring in Distributive Education. A D. E. student works on a part-time co-operative retail training program, attending school part of the day and working in distributive occupations (retail, wholesale, and service) a minimum of fifteen hours a week. The in-store work experience is considered a laboratory exercise related to classroom instruction. Salesmanship, advertising, retail math, human relations, stockkeeping, speech and merchandise information are among the topics covered in the classroom.

The John Marshall D. E. Club is a member of the Distributive Education Clubs of Virginia, which have more than sixty school memberships. In turn, all

of the Virginia clubs belong to the DECA—the Distributive Education Clubs of America.

This year the members of the club attended the District Convention, which was held in Newport News. There were various competitive contests, including a sales demonstration judging contest, a job interview contest and a window-display contest. The Annual State Convention was held in Richmond at the John Marshall Hotel. We sent two delegates to the convention.

Perhaps the club is best typified by its diamond-shaped pin and emblem. The four points of the diamond represent vocation competence, economic literacy, social intelligence, and leadership. The wrapped package in the center of the pin signifies a job well done.

The Diversified Occupations Training Program at John Marshall is designed primarily to offer select high school students an opportunity to prepare themselves for a specific trade or industrial occupation of their own choice through part-time employment while still in school.

The program operates through a cooperative agreement with employers, students, parents, and the school. Only students in the junior and senior years are eligible. A student meeting the requirements for entrance is permitted to select employment in one of several approved occupations. Employers cooperate with the school, serving as the student's training agency. Much care and thought are given by the co-ordinator and counselor to the satisfactory placement of each student. The student then receives training in the occupation of his choice under actual working conditions, devoting a minimum of three hours a day, five days a week, to work on the job. The student devotes three hours a day to school work, receiving one hour of instruction specifically related to his job and two hours of instruction in subjects required for graduation. Credit is granted toward graduation for satisfactory work on the job. In addition, the learner is paid a fair hourly wage by his employer.

D. O. club activities in which the D. O. students participate: annual State conventions, Employer-Employee conferences, regular monthly meetings speakers from business and industry, and contests on local and state level.

Vocational Office Training is a coordinated work experience program offered to seniors who intend to work in an office after graduation. The V. O. T. class is designed for students who are enrolled in the Business Department. It is possible to earn two points a semester: one for classroom instruction, one for actual work experience.

Vocational Office Training offers specialized pre-employment training. It gives an opportunity to try out in a real job situation and saves time in discovering your real interest and ability. V. O. T. enables a person to earn while learning. It assures him immediate full-time employment upon graduation, and accelerates promotion. It also helps develop a feeling of confidence in one's own ability. In addition to these advantages, the program provides an opportunity for participation in the V. O. T. Club, a local chapter of the national organization, Future Business Leaders of America.

Since V. O. T. students have proved themselves to be very desirable employees, there are many jobs available for them. Seniors in this program are employed as clerk-stenographers, clerk-typists, comptometer operators, bookkeepers, bank messengers and many others.

Our motto is "It pays in many ways, to earn while you learn."

The Future Teachers of John Marshall was founded in 1954 and named the Charles Anthony Club. It was organized to serve those who wish to enter the teaching profession and the profession itself.

Members of the club learn to identify the qualities, traits, and aptitudes basic to successful teaching. They acquire an understanding of the history and development of our public schools, their purposes and objectives, and an appreciation of the contributions schools have made to our democratic, free society. Club members receive accurate information on vocational opportunities in education, and the

special competence required to aid in self-evaluation. They participate in pre-vocational activities that are both exploratory and developmental in nature.

The club enables the teaching profession to develop selective recruitment programs, to identify capable candidates for teaching, and to motivate them to choose appropriate fields of preparation. Through the club, potential teachers receive appropriate experiences to help them develop readiness for college programs of teacher education. To secure and maintain a balanced supply of qualified teachers is the main purpose of the club.

The purpose of the Future Nurses Club is to promote interest in nursing and other fields of medical care. It aids girls in choosing a school and also helps them obtain summer jobs.

During the past years members of the club have rendered many services in the public hospitals throughout the city. They have worked with the patients in the rheumatic fever ward at Medical College of Virginia, cheering these people and performing any other duty that might be requested of them. They have also spent much of their time making medical supplies in the Central Supply Room at MCV. Besides having speakers and movies for

every monthly program, the club has made tray favors for Piedmont Sanitorium.

The highlight of the year was the State Nurses' Convention, which was held at the Hotel Jefferson. Some of the members were able to attend the convention all day. Many of them went to hear speakers during the morning. They returned, however, later that afternoon for a tea and fashion show.

Club members toured many local hospitals, these field trips helping the girls to become familiar with the routine and duties of a medical career. They also learned a great deal about the early uses of medicine from the Medical Exhibit which was sponsored by the Richmond Academy of Medicine.

The Girls' Athletic Association, better known as the GAA, is a very active club for girls who enjoy sports and like to have fun.

The school-day meetings on the second and fourth Tuesday of each month are only a small part of GAA activities. Each season, we offer sports to be played after school for members, and friends of the members to enjoy. Some of our most popular sports are bowling, horseback riding, modern dance, apparatus, volleyball, and swimming, which are only a cross section of the sports and activities offered.

In addition, the GAA presents in the late fall a talent show. This year "Ye Olde Record Shoppe" was presented with much success. The theme centered around our current day record shop and high school teenagers buying various types of records from the shopkeeper.

May Day, the most breath-taking event at "Jayem" for most, is presented in the spring and is very gala also. This year's theme was "Weather Vane" and was built around songs dealing with the weather.

This year The Girls' Athletic Association sponsored a contest in which all its members had a chance to compete. Running from September to June, the contest was to single out five girls with the most extra hours of activities in sports. Each winner received a free trip to adventurous and exciting *GAA CAMP*, which is held at Virginia Beach. The camp lasts for a week, and all who go are in for an extra-special fun-filled week.

Quill and Scroll

Sponsor.....Miss Mary G. Lambert

The Quill and Scroll have long been recognized as the symbols of a writer. Jayem's chapter of Quill and Scroll was organized in 1930, and is the only international organization at school.

Principles of the society are Truth, Initiative, Opportunity, Leadership, Cultural Attainment, Friendship, and Loyalty.

Members are inducted in the fall and the spring of every school year. The John Marshall Chapter enrolled thirteen seniors during the fall semester of 1957.

Those meeting the qualifications represented the *Monocle*, *Marshallite*, and *Record* staffs.

Quill and Scroll members take active parts in other school activities. They may work on more than one publication. Many are members of the National Honor Society, the Student Association Executive Committee, Student Commissions, and also participate in many outside activities.

To become a Quill and Scroll member, one must meet certain qualifications. He must rank in the upper third of his class, have done outstanding work on a school publication, be recommended by the chapter sponsor, Miss Mary G. Lambert, and the executive secretary of the Quill and Scroll, Mr. Lester G. Benz.

In the spring of 1958 eighteen new members were inducted.

Library Staff

Sponsors:

Miss Marjorie L. Dearhart, Miss Tressie V. Myers

Members of the Library Staff are students who volunteer to devote a part of each school day to assisting in the routine duties of the library. Any student who can meet certain scholastic requirements and standards of efficiency is eligible for membership. A service organization, the Library Staff meets on the first Tuesday of each month, primarily to discuss problems concerned with the various tasks performed by student members.

By means of a rotating schedule, the responsibility of each person varies from day to day to include the checking of permits, charging and slipping of books, collecting fines, shelving books, filing of cards, writing overdue notices, checking in of magazines and newspapers, assisting in the preparation of new books for the shelf, running errands, and other duties.

As a special activity this year, Staff members participated in the publicity for the initial celebration of National Library Week. This nation-wide observance was created in order to make the entire United States more aware of the printed word as a source of information, inspiration, and recreation. One member of the Staff, Edith Collier, represented John Marshall on the city-wide school committee for this special observance.

A former member of the Library Staff has recently received her degree in librarianship, and another is preparing at the present time for school library service by taking library science courses at Madison College.

The assistance given fellow students and the service rendered to the school, together with the information acquired in connection with library techniques, combine to make membership in this organization an invaluable experience.

The Forum Club was started at John Marshall some years ago with the purpose of promoting the interest of its members in present day happenings, and to introduce them to the problems of the world. To become a member of the Forum Club is an easy task. The only requirements are that the student be interested in his country, the way it operates, and the problems it faces with other nations.

The Forum Club takes part in many activities during the school year. Its biggest attraction is its Citizenship Rally Day, at which time candidates who are running for the Senate or House are guest speakers, and the students in the auditorium cheer for the one of their choice. The Forum Club holds interesting programs each week, some of which are debates, discussions, and quizzes in which everyone can take part.

During the past year, the Forum Club sponsored a film on the '57 World Series.

In order to help the group get better acquainted, the League had an outing at Byrd Park at the beginning of the term in September. The food that was left over from our picnic went to Sheltering Arms Hospital, the main interest for our year's project.

Some of our members who wished to render a service to others worked every day after school at Sheltering Arms as voluntary nurses' aides. They read to the patients, wrote letters for them, fed them, and in general tried to "brighten-up" those who were ill.

At Thanksgiving everyone brought canned goods to our meeting instead of an offering, which more than filled a basket for the hospital. We also brought small gifts at Christmas, which we placed in a large, red stocking and sent to the patients.

We had some very good programs at our meetings on Fridays, which included movies, interesting speakers, and panel discussions.

Our devotionals and programs were able to aid us a great deal in keeping Christ in our high-school life.

We held our annual banquet with Christian Youth Leagues from other schools in the spring, at which time new officers were installed.

The purpose of the John Marshall Parent-Teacher-Student Association is to bring parents, teachers, and students into a closer relationship with the school, the home, and the community.

PTSA study groups, organized by Miss Frances L. Bray, discussed the following topics: Bridging the Gap from Junior High to Senior High School, from Senior High School to College, and from Senior High School to Work.

The PTSA held one big meeting each term, giving the parents an opportunity to acquaint themselves with the school and its curriculum.

It was decided that the Grays' Armory would be used for basketball. Finances for the PTSA were on a free will basis.

The spring meeting brought to a close for the year the PTSA and executive committee meetings.

The Choir is organized to represent the school in intra-mural and community activities. Members are selected on a basis of seniority and ability. The group meets daily in regular class, which carries full scholastic credit.

All girls in the Choir are also members of the Girls' Chorus, and the boys form the Boys' Ensemble. Members of the Marshallsingers, a mixed voice ensemble, twelve in number, are chosen from the Choir personnel.

During the season, the Choir sang for the following events: P.T.S.A. meeting, Thanksgiving Service, Veterans' Day Memorial Service, Christmas caroling, which included singing at Ruffner Building, City Hall, for the Governor, Mr. Willett, the Optimist Club, in the halls of Wythe and John Marshall buildings, and for the school pageant; and the baccalaureate and commencement services January and June.

The Girls' Chorus, with one rehearsal weekly and no scholastic credit, is planned to provide experience in singing arrangements for women's voices, and for talented girls who cannot schedule a regular voice class. From its membership the twelve girls making up the Marshallettes are chosen, as well as the four in the Girls' Quartet.

The repertoire is chosen for variety as well as for high musical standards, which would prepare the singers for college and community experience.

The John Marshall Orchestra, consisting of twenty-one members, is under the direction of Mr. Paul Cartwright. During the past year they have performed for the Community Chest, the P.T.S.A., graduation exercises, the dedication of the Daughters of the Confederacy building and a Brotherhood assembly program.

The orchestra sent seven string players to the 15th Annual All State String Orchestra held at Thomas Jefferson High School, and one wind player to the All State Band held at Highland Springs High School. This experience helped them, very much, to vary their musical training.

The orchestra and chorus combine to present their annual spring concert in May.

They conclude their year with the June graduation.

The John Marshall Science Club grew rapidly in its third year of existence. Officially named from a suggestion by Harvey Harris, it is now known as "The Cosmic Rays."

The purpose of "The Cosmic Rays" is to interest the students of John Marshall in taking more science. The club also gives the more studious young scientists an opportunity to work and learn with one another outside the classroom. The two sponsors, Mrs. Warinner and Miss Davis, are always ready to help members of the club.

An affiliate of Science Clubs of America and the Virginia Junior Academy of Science, John Marshall's science club had a variety of programs this year. On one field trip the club went to Byrd Airport to visit the U. S. Weather Bureau. Later in the year, a panel of three doctors spoke to Marshall-

ites on three of today's most prevalent diseases. Four engineers also spoke to the club about horizons in the world of engineering. Several movies were also shown during the semester.

The annual Science Fair held on April 17 and 18 was notably successful. All the science divisions contributed to the fair—Biology, Chemistry, Physics, and General Science. The theme of the fair was "Modern Living."

Another highlight of the year was the annual picnic at the end of the year.

The following officers, with the sponsors, carried on the work of the club, which began in 1956: president, Norwyn Rowe; vice-president, Steve Tarrant; secretary, Mary Jane Newton, treasurer, Gary Workman; and program chairman, Winfred Phillips.

Vite, vite au club Sans Souci! It's fun, and the club does so many interesting things pertaining to French as well as English. Sans Souci is for students who are taking French, or who have had at least two years of French and want to get together during the school day for a friendly French chat. The club also helps in broadening the vocabulary, since many French words and phrases are often used throughout the meetings.

The Sans Souci has been very busy this year. Our faithful sponsor, Miss Robertson, helped the club members on their early morning paper drive, which was very successful. At Christmas time, the club had its regular Christmas party. William Goode and Lucia Pollock were chosen as king and queen of the Christmas season. Christmas carols were sung

in French at the party. On February 14, Saint Valentine visited the club and brought along "cupidon" as well as some "goodies." Every year, the club helps with the foreign language banquet.

Some of the club's programs this year were on customs, products, and famous people in France, which helped to give us a background for our French. Some club members have correspondents in France, keeping the club in touch with other people in another land besides the United States.

Our name "Sans Souci" means without care, but we do care. Our enrollment, this year, has increased a great deal. There are approximately 25 members at each club meeting. The club meets on the second Friday of each month. Along with the members, Miss Robertson is always present to help guide the club.

<i>Sponsor.....Miss Anne Louise Sanford</i>	

On September 30, 1957, the John Marshall Latin Club was organized by the advanced Latin class with Miss Louise Sanford, Latin teacher, as sponsor. After the ten charter members pictured above elected officers for the coming year, the new organization was named Dei Deaeque, meaning Gods and Goddesses. At the present time the membership of the club is confined to students in the advanced Latin class. In June the club will be open to all Latin students. The club meets twice a month during the third period on the first and third Monday of each month.

Some of the aims of the Latin Club are to make the study of Latin more interesting, to encourage more students to study Latin, and to widen and deepen students' background knowledge of Greek

and Roman culture and civilization.

Members of the club wear little silver pins, indicating that they are members of the Junior Classical League, a national organization founded in 1936 to encourage in young people an interest in and appreciation of the civilization, language, literature, and art of ancient Greece and Rome, and to give them some understanding of the debt of our own culture to classical antiquity.

Since the club picture was taken, the club has taken in seven new members: Dianne Christian, Gail Page, Charlotte Thompson, Lou Brown, Danny Dillon, Lance Strickland, and Branch Crooks.

In June at the awards assembly the club will present two silver award keys to two students, a boy and a girl, for high scholastic standing in Latin.

"Adelante, siempre, adelante," forward, always, forward, is the motto of the Don Juan Club and best exemplifies the aim of its members. The Don Juan Club meets the third Friday of each month in 205W with its sponsor, Miss Ann Powell.

The purpose of the club is to help Spanish students acquire a better knowledge of Spanish-speaking countries, their people and customs, and a better understanding of the language. The many interesting programs and the various activities in which the Don Juan Club participates constitute a great variety of entertainment for its members.

This year the club was fortunate to have a talented program chairman who presented many fascinating games and programs to the club. Two outstanding games were "Centavo Por Minuto," which was similar to the television program, "Dollar a Second," and "Dígalo o Páguelo," based on "Truth or Consequences."

As customary, the Christmas program resembled a typical Spanish holiday fiesta. The center of attention was focused on the piñata, a large colorful bundle filled with "dulces" suspended from the ceiling. A blindfolded señorita, Pat Woodfin, then succeeded in breaking it, whereupon all the club members scrambled for the "goodies." The singing of Christmas carols in Spanish concluded the festivities.

Among the other activities of the Don Juan Club was its helping to present the annual foreign language banquet on Friday, April 18, at the Hotel John Marshall. We were proud of our president, Edwin Ellis, for his "simpatico" welcoming address.

The Don Juan Club this past year, as always, made the study of Spanish vital and interesting. By living the motto "Adelante, siempre, adelante," the club hopes to expand and to help members to put their knowledge of Spanish to use.

This year the *Monocle* saw the upsetting of a precedent. The newspaper was headed by male editors for both semesters, ending the female-dominated regime.

All year long the staff worked hard, fast, and furiously. But when *Monocle Day* came around on Thursdays, the paper was nearly always there. Accidents did happen, and the paper was a little late twice; but was soon delivered with all haste. Thursdays seemed to be the days when chaos prevailed.

The paper's nameplate at the top of the front

page had listed under it the honors of the *Monocle*. As usual, the International Honor Rating of Quill and Scroll was there. This society also awarded the George H. Gallup Award to the *Monocle* for sustained leadership through the years. From the Southern Interscholastic Press Association the paper received the trophy. Included in the awards was Medalist at Columbia Scholastic Press Association.

Commercial publications from New York to California also honored the *Monocle* by publishing some of the paper's editorials and photographs.

The Marshallite

During the first week of school, the *Marshallite* staff met and got organized. Even before the meeting, members had been out working on advertisements, with the result that by the middle of March they had sold nearly two thousand dollars worth of "ads." How that pleased the jolly fellow, Mr. Arnold.

The editorial staff helped with advertisements too when the members were not busy upstairs in 2C pounding away on the typewriters writing the theme, the dedication, and the many other sections of the annual.

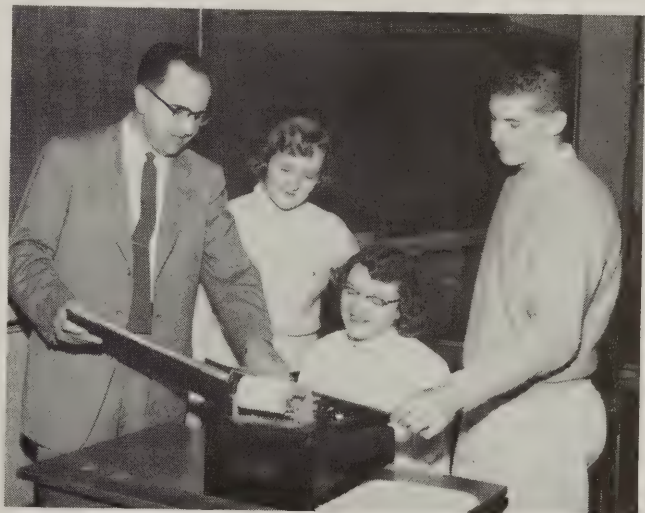

The editor, Brenda Fisher, pushed her staff hard. With the exception of herself and Sandra Foster, all staff members were new, and they collaborated heartily to make what they hoped would be the best of all annuals.

Hardly a day passed when there was not something to keep the staff busy. The first two weeks it arranged appointments for the seniors to have their pictures made at Miller & Rhoads, using for the first time in *Marshallite* history the photographer of this store.

Following the pictures came write-ups, and so on down the line, until their 1958 *Marshallite* annual was completed.

Keeping the dedication from Mr. Arnold until June 11 inspired the staff to work closely together. Hiding copies and prints from him every time he appeared in 2C provided the staff with daily excitement.

This year Warren Chenault represented the *Marshallite* at Lexington where the 1957 annual won a first place award. Next year Warren will be the editor of the 1959 annual.

The Record, a literary magazine by, of, and for John Marshall students, was first organized in 1909 and is now completing its forty-ninth year.

Members of *The Record* staff meet every Monday after school with Mr. Beverly, the adviser.

The Record has won such awards as All-American Honor Rating, NSPA, in 1943, 1946, 1949, and 1950; First-Class Honor Rating, NSPA, in 1947 and 1957; and First-Place Trophy, SIPA, in 1954. In April, Sandra Andrews represented us at the SIPA conference as our delegate for this year. Members of *The Record* staff are also members of the International Quill and Scroll Society. Each year the Edgar Allan Poe Award is presented to the student offering the most outstanding contribution to the magazine.

The Record is well known for its fine achievements, and has been consulted for advice and suggestions by other schools beginning a magazine of

their own. We exchange *The Record* with various schools for comparison and new ideas.

The December 1957 issue was dedicated by *The Record* staff to the memory of James C. Ramsey (1940-1957) with three contributions which James wrote while at J. M. H. S. The issue also carried some moving short stories and several sketches and poems of the holiday season.

The purpose of *The Record* is to enable and encourage all students of John Marshall to express themselves creatively, and to share their ideas with others. We feel that *The Record* has been, and continues to be, a worth-while and profitable magazine.

The staff wishes to thank Edith Collier and Lucia Pollock for their initiative and untiring efforts in making *The Record* a success during the 1957-1958 school year.

JOHN MARSHALL CADET ALUMNI ASSOCIATION

Alumni activities in 1957-1958 were enjoyed by all who attended.

The Annual Reunion Dance at Tantilla Garden featured five intermission skits by members of the Class of 1952, who were celebrating their fifth anniversary. The skits, depicting the humorous side of cadet days, included a recruit reporting to the Commandant; a recruit detail; Sponsors' Day; the Band trifling at inspection; and a grand march led by the "Band." The first spring dance was held in April at the Marine Reserve Armory. This dance may become an annual event.

On Lee-Jackson Day the Stonewall Jackson Chapter, United Daughters of the Confederacy, presented a set of Crosses for Military Service to the Association in memory of seventy-five former cadets who gave their lives in the service of our country in World War I, II and the Korean conflict. The entire Corps of Cadets participated and the Crosses were placed in Cadet Headquarters in the Armory.

John Marshall Summer School

Summer schools were opened in Richmond in 1911, but it was not until 1932 that all summer school classes offered in the city were held at John Marshall and tuition was charged for each student attending. The John Marshall Summer School now offers opportunities for sixth through twelfth grade subjects, which provide enrichment for the regular program, acceleration toward graduation, or improvement in the mastery of courses partially completed. In addition to students in these grades, postgraduates, college students, and other adults have discovered that eight weeks of the long vacation may bring interesting and profitable returns. In 1957, more than 1,900 students from 90 schools enrolled for the summer session. Most of the students enrolled took new subjects.

John Marshall Evening School

The John Marshall Evening School had its beginning October 16, 1911, when W. C. Locker accepted an invitation from Dr. J. A. C. Chandler, then Superintendent of Schools, to come to Richmond, from Roanoke, to organize the evening school and introduce handwriting in the public schools of Richmond.

This evening school has been the tangible expression on the part of the School Board of a desire to offer everyone in the Richmond area an opportunity to use his or her evenings for educational advancement and vocational improvement. The beginning was modest—only three teachers the first night—which, however, increased to several times this number before the end of the year. Through the entire 47 years the policy of the School Board has been not only liberal, but consistently progressive, offering instruction in any subject when the number applying would justify it.

John Marshall Evening School offers each year a variety of courses to its approximately one thousand students currently enrolled.

A number of students lacking only a few points to graduate have earned sufficient credits by evening study to obtain their diplomas from John Marshall, Thomas Jefferson, or some other high school. However, the purpose of the evening school is not only to provide educational opportunities for students who have not completed requirements for graduation but to enable high school and college graduates to take courses for pleasure, profit, and relaxation, which is evidenced by the fact that 355 high school graduates and 71 college graduates attended the 1956-1957 session.

Since a number of your friends and neighbors are living richer, more dynamic and constructive lives as a result of participating in our program, we invite you to make full use of the opportunities available.

FOR many years both the students and the faculty here at John Marshall have been proud of the fine work of our Corps of Cadets. Especially has everyone been aware of the faithful efforts and precision-sharp drill displayed by the cadets in preparations for their annual federal inspection.

Keeping immaculate in starched shirts, polished brass, and shined shoes are a part of each cadet's duties. But even more important is the learning of the procedure and skills of military science.

The purpose of the John Marshall Cadet Corps is to raise the scholastic standing of its members, to train them in leadership and prevention of war, thus producing better citizens for world peace.

THE HONOR COURT

The honor system of the John Marshall Corps of Cadets is designed to instill in the individual cadet a true sense of the Corps' motto, "Duty, Honor, Country," and to increase each cadet's desire to develop self-respect, pride, and a general consideration for the rights and welfare of others—vital factors in the forming of real character.

In order to achieve this goal, each cadet must resolve to implant these standards within himself. Should he fail to do so and encroach upon or appear to violate, his honor, the Honor Court meets and administers punishment, accordingly. The Court is composed of all commanders, the Adjutant, and others whom the Court sees fit to elect by unanimous decision, the total membership not exceeding thirteen.

The Honor Court considers any case not covered by the Rules or Standards, in which the honor or character of a cadet, or the honor or well-being of the Corps as a whole is in any way involved, and makes the final decision.

THE GENERAL COMMITTEE

The purpose of the Honor System of the John Marshall Corps of Cadets is to instill in the cadet a true sense of "Duty, Honor, and Country," and to help each cadet to develop within himself a feeling of self-respect and pride.

The purpose of the Honor System can be maintained only through the Honor Court and General Committee. The primary function of the General Committee is to maintain high standards in the Corps of Cadets. The General Committee consists of the commanders, class officers, and any other cadets whom the committee sees fit to elect by unanimous decision, the total membership not to exceed fifteen.

The General Committee accomplishes its purpose as follows:

1. By proper instruction of each recruit class.
2. By additional instruction of all classes as may be necessary.
3. By deciding on points of the Standards not clearly defined.
4. By calling to account those cadets who fail to uphold the standards.
5. By personal example.

THE RIFLE TEAM

Each cadet is given several hours of preliminary marksmanship instruction, consisting of subjects chosen by the director of marksmanship. After completion of these classes, a cadet has a chance to qualify. Qualification is based on scores fired in the four standard positions: prone, sitting, kneeling, and standing. Each cadet is required to make a score of thirty-seven out of a possible fifty in each position. These must be repeated until this score is recorded.

After all cadets have qualified, the platoon matches start. Each platoon selects a team to compete with all other platoon teams. Last come the inter-company matches. These are fired in the same manner as platoon matches, but each company has only one team. Each match has a direct bearing on the Efficiency Award at the end of the term.

Cadets who show the most ability in these matches are selected for the Rifle Team. Members of the Rifle Team receive many additional hours of instruction and practice in order to perfect their ability.

In the early fall the High Powered Team is selected from the regular team. A member of this team must practice many hours to familiarize himself with the sights and shooting characteristics of the 30-caliber rifle. The matches are great fun. You get to talk with people who know a great deal about shooting. Also many awards are given, such as medals for the individual, and trophies for the winning team.

THE HOP COMMITTEE

The Hop Committee is a voluntary group composed of cadets from all companies and all drills. Each job is undertaken by a separate committee. Each of these is supervised by a chairman.

When the tasks have been completed, hectic turmoil turns into a beautiful picture. The cadets who worked so hard and put so much time in preparation receive no reward other than the feeling of having done their part to make the ball a success.

ACTIVITIES

THERE are a number of sports at John Marshall to appeal to students interested in athletics. For the boys, there is football, basketball, track, and baseball; for the girls, hockey, basketball, and softball.

The athletic program at John Marshall is one of the best in the state. We are proud of our teams, not only for their good records, but also for the good sportsmanship of the players. Learning to work together as a team is a valuable asset in learning to work with other people in life.

After losing three out of their first four football games, the Justices came back "strong in the stretch," winning four of their last six games to break even with a 5-5 slate.

The "Big Blue" opened the season successfully with a 6-0 victory over the "Crimson Wave" of Petersburg. Three successive defeats followed. The "Big Blue" journeyed to Roanoke only to absorb an 18-13 defeat at the hands of William Flemming. In their City Stadium debut the Justices were beaten 18-13 by Highland Springs. Next came the Lancers of Manchester who defeated the "Blue and White" 19-7. In the three defeats, fumbles were costly to the Jayem eleven.

Then the Justices began their strong comeback by upending favored Hermitage by 12-0. Lane of Charlottesville pulled the upset of the year by defeating a favored Jayem team 7-6. In the next two games the Justices displayed their offensive fireworks by first defeating Thomas Dale 35-6 and then Benedictine 34-0.

In the traditional Jayem-Teejay classic, the Justices defeated the Jeffs by a 13-7 margin on a muddy gridiron. It was the first time a Jayem team has defeated the Jeffs in seven years.

The Justices closed out their season by playing their best game of the season, although it went to a losing cause. Hopewell, a state power and newly crowned Central District Champions, defeated a determined John Marshall team 27-25.

At the season's close John Marshall was rated as the third strongest team in the area behind Hopewell and Manchester.

As a result of their outstanding play throughout the season, Eddie Clarke and Mel Rideout were named to the All-City football team. Clarke also represented the Justices on the All-Central District eleven, and received honorable mention in the balloting for the All-Group I team. Both Clarke and Rideout made second team All-State.

"Two more for Godsey."

John Marshall's cage team started the season off right by winning their first two games with Benedictine and Douglas Freeman. The Justices then hit a slump and lost their next four district games to go into a tie for last place in the central district. Determined to finish in the upper division the Blue and White came back to win six out of their next seven games. They also took both regular season games from Thomas Jefferson.

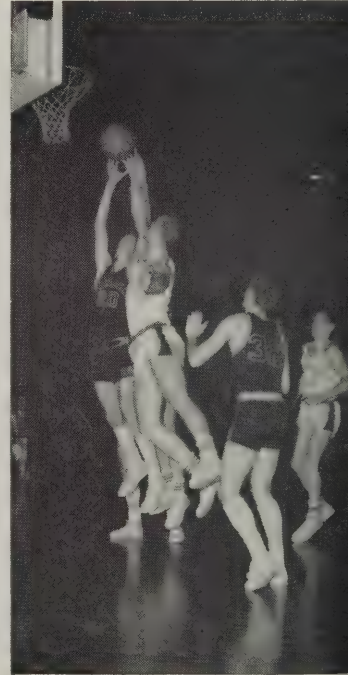

The team lost no one through mid-term graduation and during February moved up into fourth spot in the district.

The central district had more balance than any district in the state since each team was capable of upsetting the other. As a result, the Justices split two games with several clubs.

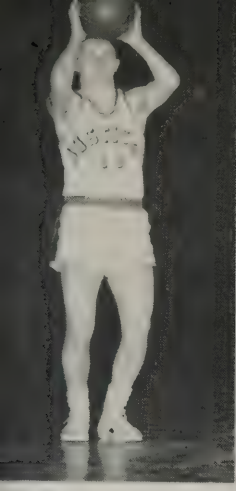

In the Central District Tournament, John Marshall defeated Thomas Jefferson 54-52 in their first game for the third victory of the season over our cross-town rival.

By defeating Teejay, the Justices advanced into the semi-finals, only to lose to Highland Springs. They gained some prestige, however, by defeating regular-season champ Hopewell in the consolation event. This victory enabled them to take third place in the tournament.

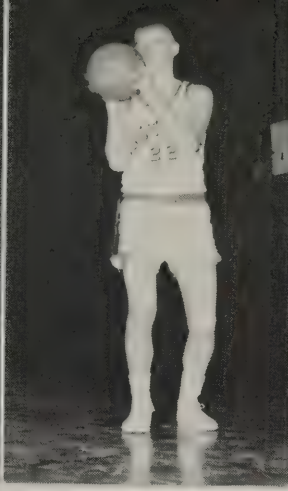

At a banquet given by the Dad's Club all members of the team received gold footballs. Tommy Godsey received two trophies: one for being voted most valuable player and the other for being top scorer on the team. Buddy Allen was awarded the "best defensive player" trophy.

Spring 1958 officially opened the new track season. Since track is the only self-reliant sport, each thincladsmen is almost entirely on his own, except for the helpful hints provided by Coaches Goodlow and Hollingsworth. Returning were lettermen Chap Hamlet, Calvin Farmer, Bob Ellis, Lemoyne Lawrence, Jim Bennett, Ed Clarke, and Jim White. This year the team was fortunate in getting John Southworth, one of many good sophomores. Bob Ellis and Ed Clarke were unbeaten in their events, and many of Jayem's thin cladsmen placed no lower than second. No records were broken this year, but Jayem had many of the most proficient players and promising stars of Central District.

B A S E B A L L

The John Marshall baseball team began practice in early March. Cold and rainy weather restricted the team to three outside practices before their first game with Manchester.

With fourteen returning lettermen, six of them starters, the Justice nine should be well balanced. All-City third baseman Bill Chambers, newcomer Tom Godsey at short, "Beanie" Bergh at second, and Mel Rideout at first, make up one of the best infields in the Central District.

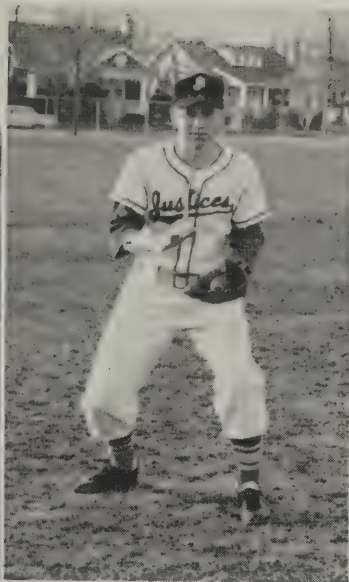

Bill Schwartz, Thomas Goode, and Waylum Mangum handle the outfield duty for Jayem. Coach Thompson should have no worries about his mound staff with fastballing Mel Rideout, Jerry Moore, and newcomer Buddy Allen. Tommy Newsom should need little help in calling the pitches from his position as catcher.

John Marshall should also have one of the best hitting teams in the district with Mel Rideout, Bill Schwartz, Bill Chambers, Tom Goode, and Bubba Newsome leading the way.

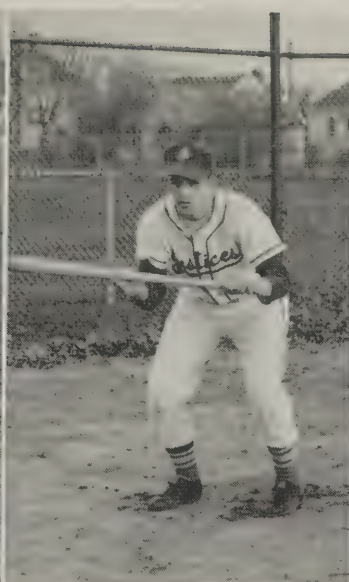

Coach Thompson says if the pitching and hitting come through as expected, this year's team will cause plenty of trouble for the opposition in the City and Central District.

The John Marshall Girls' Hockey Team ended the season with a 4-2-1 record, unable to beat last year's record of 4-1-1.

This year, however, Manchester first defeated them 2-1, then St. Catherine's 5-2. But they won victories over Petersburg 4-1, Hopewell 2-1, St. Gertrude's 3-1, and Collegiate 3-1. They tied Thomas Jefferson 3-3.

In scoring, Brenda Fisher led the team with 9 goals, Norma Foster with 6, and Sandy Foster with 2.

Members of the team returning for the 1958 season include Tunie Dooley, Lou Brown, Pat Cooke, and Linda Holbrook.

The team will lose three members of its forward line, seniors Brenda Fisher, Norma Foster, Sandy Foster, and halfback Betty Dalton.

This year the annual Tidewater Hockey Tournament was held at Hotchkiss Field. Altogether there were 120 players. From the eight teams represented, 22 players were picked for a first and second team. John Marshall had three players to place on the first team: Brenda Fisher, center forward; Betty Dalton, left halfback; Sandy Foster, right inner.

This year the Girls' Basketball Team ended the season with an unsuccessful record of three wins and six defeats.

Their first game against Midlothian marked their first victory. They then lost two in a row. The first to Thomas Dale by only 2 points, and the second one to St. Gertrude's.

The next two games made the Lady Justices' record look fair, as they defeated Collegiate and then Petersburg to make it a 3-2 over-all record.

But their luck took a turn as they went on a four-game losing streak. It started with Thomas Jefferson, then Manchester, Hopewell, and then ended with the last game when they played St. Catherine's.

Norma Foster led the team in scoring as she

managed a 13.3 average. She couldn't meet her last year's record of 21.5. Tunie Dooley came in second with a 10.3 average and Brenda Fisher followed with an average of 9.3. Sandy Foster, the team's captain, who was used sparingly throughout the season, followed Brenda.

This year six schools were represented at the annual Basketball Tournament, which was held at Thomas Jefferson. No one from John Marshall placed on the first team, but Norma Foster, forward, and Florence Barnard, guard, won honors on the All-prep reserve team.

Next year's team will consist of all the same players except seniors Sandy and Norma Foster, and Brenda Fisher.

So close but yet so far—the girls' softball team came within one game of having an undefeated season. Their record was nine wins and one loss to Manchester 9-3.

Their schedule consisted of ten games, with six schools, St. Catherine's, Midlothian, Petersburg, Hopewell, Thomas Jefferson, and Manchester, with some of which they played twice.

Six out of the starting nine finished with batting averages over .300. Leading was Pat Southworth, pitcher, with a mighty average of .608. Close behind came Brenda Fisher, left fielder, with a .590 mark; and following with an even .500 was Sandy Weeks, catcher. The other three players finishing over the .300 mark were Norma Foster, shortstop; Tunie Dooley, first base; and Sandy Foster, second base.

Pat Southworth and Tunie Dooley led in homeruns as well as triples, Pat hitting 6 homers and 3 triples, and Tunie hitting four of each. Other hitting homeruns were Brenda Fisher, Joyce Branch, Sandy Weeks, and Florence Barnard.

Pat Southworth ended the season with a 7-0 pitching record and Lou Brown received the lone loss for the Lady Justices. Also to Pat's credit—she pitched a no-hitter against Midlothian in a 27-2 ball game.

In seven of the ten games the Lady Justices scored over 20 runs while holding their opponents to less than four. The closest game was the first when they played Manchester and defeated them 9-7. The biggest margin came when they walloped Petersburg 30-2.

For the first time since Jayem has had a softball team, the girls were given uniforms, which were of a navy-blue twill material. The trousers had a white stripe down each side, and each blouse had the girl's number in white on the sleeve.

Next year's team will have the same players except for the loss of pitcher Pat Southworth and catcher Sandy Weeks, who graduate. Brenda, Norma, and Sandy will be the only seniors on next year's team, and they will serve as tri-captains for that year. Pat Southworth and Norma Foster served as co-captains this year.

That's the way to hit that ball, homerun sluggers!

Mark down another strike-out for the captain.

Looks like another homerun, Brenda. Tunie looks as if she has the same thing in mind.

That's trying Nancy but better luck next time.

That's getting around that tag, Florence.

Twins start a double killing. Tough luck, Elsie.

CHEERLEADERS

Co-Captains.....Jackie Wright, Pat Whitman

Every Tuesday and Thursday night during the summer vacation Jayem cheerleaders practiced school yells at Hotchkiss Field. The eight newly chosen cheerleaders had to learn all the old cheers, and the entire squad learned several new yells.

The 12-girl squad made its first appearance on orientation day, September 3, when they welcomed new students to Jayem with cheers and school songs. The pep rally on the school lawn that followed the welcoming assembly program was the first of many that the cheerleaders were to lead during the football and basketball seasons.

The cheerleaders traveled to Petersburg on September 20 for the first game of the football season. Wearing the traditional white uniforms, the squad led the excited crowd in familiar yells as Jayem beat Petersburg 6-0.

A week later the girls traveled by bus to William Flemming High School in Roanoke to cheer for the Justices. The trip was sponsored by the Dad's Club.

The night of October 18 found the cheerleaders in a busy swirl. They began the evening by riding in the Tobacco Bowl Festival Parade. From the parade they were driven to the City Stadium to cheer for the football contest between the Justices and Hermitage High School.

November 9, too, was a busy day for the cheerleaders. At the request of Randolph-Macon College, they traveled with the Band to Ashland to cheer for the Yellow Jacket's big homecoming game. That night, the girls participated in Thalhimer's annual district Cheer Rally at the Jefferson Hotel. A number of the cheerleaders appeared on the television program, Top Ten Dance Party, on November 15,

garbed in racoon coats. That evening the entire squad cheered at the City Stadium.

Perhaps the biggest occasion of the year, the day preceding and the day of the annual Jayem-Teejay football rivalry, found our Justice cheerleaders scurrying about. A pep rally was presented before school on the morning before the big game. But, unlike most rallies, this one did not end before school began. It lasted all day long, and cheers could be heard throughout the halls of Jayem. That night the squad led students in another rally at Hotchkiss Field.

With the arrival of "The Day" the girls appeared at the Stadium wearing corsages sent them by the team. With the help of an unusually enthusiastic crowd, they cheered the Justices to victory. The eventful day was climaxed by a dance given to our cheerleaders, football players, Miss Justice candidates, and the clowns by the Dad's Club.

At the football banquet on December 4, also sponsored by the Dad's Club, the cheerleaders received silver megaphones as a token of appreciation for their participation.

Sporting high top hats, black bow ties, and canes, the Jayem cheerleaders strutted onto the stage of the school auditorium on December 6. This was the night of the annual Talent Show.

The cheering squad not only cheered the Com-

munity Chest on to success in its drive this year, but helped another worthy cause, the March of Dimes. The girls stood between Sixth and Seventh on Broad Street and collected dimes for the Block of Dimes on January 18.

Just as they supported the football team, the cheerleaders supported the basketball team. On February 14, Valentine's Day, the girls presented the team with favors and a valentine. They cheered for them throughout the season and followed them to the arena for the tournament.

The basketball team, too, had a banquet sponsored by the Dad's Club. At this dinner on March 17, at the Richmond Hotel, the girls were presented with miniature basketballs, graduating seniors receiving gold ones and undergraduates silver ones.

The cheerleaders, as usual, encouraged school spirit and game attendance for baseball. This year, in addition, they introduced a new campaign. The girls were divided into two teams, six on each team. They attended the games and collected donations from those present for the school athletic fund.

Such was the busy year of the John Marshall Cheerleaders. They cheered when Jayem was winning and when it was trailing the opponent. With the help of the school body, they displayed wonderful spirit and undying loyalty for "Dear old John Marshall."

Courtney Roane, Carol Davis, Pat Whitman, Betty Kelley, Brenda Bradshaw, Barbara Townsend.

THE following pages review the various activities of the students of John Marshall. These activities help to round out the high-school life of the students and to broaden their interests. Students feel a sense of pride in belonging to an organization, and are proud of activities in which they have played a part.

Activities at John Marshall have contributed much toward making the years of the students there memorable. And students, in turn, have contributed much to the history of John Marshall.

SPECIAL REPORT TO YOUNG MEN OF TOMORROW

UNLIMITED OPPORTUNITY

awaits you in the pulp and paper industry

WHERE WILL you go after high school? To work? To trade school? To College? For the young man interested in college training, the pulp and paper industry has a continuing need for new technical personnel and offers unlimited opportunities for advancement in this exciting field.

THE SPECTACULAR growth of this industry makes possible top wages and security in a host of highly skilled technical positions. A four-year college education is preferred for such positions as pulp technologists, plant chemists, quality control specialists and production trainees.

SCHOLARSHIP help at North Carolina State College in Raleigh is available for college majors in pulp and paper technology, and highly remunerative employment within the industry is usually available during the summer vacation periods. Graduates of this program are qualified for quick advancement in production, technical and top management positions within the industry. Applications for pulp and paper scholarships for the academic year beginning next fall must be made by May 15.

IF YOU are a young man in high school who has above average grades in math, physics, chemistry and related subjects, we urge you to contact us or your Guidance Coordinator. We will gladly explain to you in detail about the opportunities awaiting you in this fascinating industry.

CADET BAND

Fall and Spring '57-'58

JAYEM BAND SONG

Oh, we're the boys from Jayem Band you hear
much about;

The people stop and stare at us whenever we
go out.

We're noted for our playing and the marching
that we do;

Oh, everybody likes us and we hope you'll like
us too!

As we go marching, as the Band begins to
P-L-A-Y,

You can hear them shouting, the boys from
Jayem Band are on their way!

By the light of the sun, by the light of the sun,

By the light, by the light, by the light of the sun,

If you want to have a good time, just join the
Jayem Band,

By the light, by the light, of the sun.

The Mark of A Champion . . .

WHEN a young man can face the business world with the same undaunted courage that he bucks the line in football, and can take the bumps that inevitably will come to him in business, and can keep his fighting spirit and keep smiling . . . then he has the mark of a champion. The world needs young men like this and the world will make way for them. The life insurance business needs such men, so why not prepare yourself for a career in the life insurance business. It's a business of opportunity for young men of ambition and vision.

A tip for
a miss
who's
extra
special

If you are an alert young woman, you'll find an "extra special" job at the telephone company.

You'll meet lots of young people your own age... work in pleasant surroundings... receive good pay while you're being trained... get regular raises. And you don't need any experience!

Best of all, you'll be helping almost everyone in your community. Why not find out more about the advantages of telephone work?
